<u>時間:</u>	14:30-16:20
<u>レベル:</u>	中級から
<u>講師:</u>	Mr. Shishido
<u>目的:</u>	<p>To improve student's listening skill. Listening is very important part of communication in English, therefore students who can improve their listening skill can greatly benefit for their overall English studies.</p>
<u>授業内容:</u>	<p>Listening is perhaps one of the most difficult skills to acquire for Japanese students of English and dictation/shadowing method has been proven to be successful in improving that area. Interpreters whose job requires excellent listening skill go through rigorous and intense training in dictation/shadowing. This class is designed for students who are having difficult time improving their listening skill. Listening skill cannot be acquired through passive participation, therefore students will be asked to do lots of drills through active participation.</p> <p><u>Outline:</u> First 5-10 minutes, warmup and small talk Class time, listen to a passage repeatedly until the passage has been written down completely through dictation and shadow that passage. Repeat this process over and over again.</p> <p><u>Homework:</u> Practice dictation and shadowing at home.</p>
<u>教材:</u>	<p>受講生さんに合わせて、講師が教材を準備します。当面はTOEICのリスニングパートのリスニングを予定しています。</p>
<u>備考:</u>	<p>今期から新規開講。 担当講師は通訳学校で講師経験もあるベテラン講師です。</p>
