

クラス：	英語で学ぶ西洋の歴史 EHIS-63
曜日：	Saturday
時間：	15:30-17:20
レベル：	上級
講師：	Dr. Turner
目的：	Improve your English reading and speaking skills using topics from history.
授業内容	<Approach> We will use the chapters of a book recently published by the instructor (chapters will be supplied). These will provide a foundation for exploring themes of early European history. The course will introduce a lot of new vocabulary, and we will read sections together. Students will be expected to read a few pages to prepare for each lesson. We will discuss and practice what we learn, both in groups and as a whole class. <Topics> This term, the theme is 'World History'. We will examine several different subjects, from ancient to modern and from Europe to the Middle East. <Note> The instructor is both a qualified English teacher and historian, holding a PhD in History, Archaeology, and Anthropology from a British university. So, students should feel free to ask questions. This course requires an Upper-intermediate or higher English level. This course will involve reading and discussion, and is a good chance to improve those skills and learn history at the same time. No text book. <What will you learn?> Lots of new vocabulary. Conversation, reading, and pronunciation skills. Facts about early European history. Critical thinking skills.
